### The Bishops Visit

On Tuesday 31st October, the right reverend Bishop Marcus Stock visited Holy Family Primary School to bless our recently completed Prayer Garden.

It was 2014 when Fr McGarth chatted with some Y1 children about having a space in school that could be a

permanent place for people to visit to say a prayer as the church at Holy Family is a little walk away, and some people do not get to visit regularly. The Governors looked at the plans for the remodelling of classrooms, an internal space could not be found. A suggestion was

made to look at an outside area that could be used. At a following Governors meeting it was suggested using the area outside near the obstacle course. It was agreed by the school council back in 2015 to raise money to fund the building of the area.

The task was taken up by the AHT Mr Biedka and the school council. Plans were drawn up. It was decided that to create the right space we would need to remove a lot of earth. Mr Biedka arranged to have a JCB come and remove 10 tons of earth to create a space. This cost in the region of  $\pounds$ 2000. Further funds would need to be raised to build the Garden.

At this point the school caretaker, Mr McGann became involved and offered to construct the garden so only funds for materials would need to be raised. This kept the costs to a minimum, but allowed us to build a very special space.

Mone Brothers very kindly donated a stone Alter, because of this generous gift we were able to use further funds raised to install Yorkshire Stone paving to finish the area.

The final thing to do was to landscape the area by adding plants and flowers. Mrs McHale kindly volunteered to do this and gained funding from Resources Print Solutions. Mr Wester and Mrs McHale have given time and love to ensure the flowers and plants in the garden are cared for.

Bishop Marcus first attended a Liturgy in the school hall with the children, staff, parent teacher association, governors and parents. The Liturgy was focussed on prayer and how we all can be closer to God and that special places, like the new school prayer garden, become areas of hope, love and joy. Bishop Marcus spoke of his recent visit to the Holy land and the place where Jesus visited to speak to his Father (Gethsemane) and how garden's are places where we become closer to the sounds of God's creation. He also wowed the children with amazing facts of olive trees which are 2000 years old and were still producing fruit, that were around when Jesus was praying in that very garden.

Following the liturgy, some staff, children and visitors, took a short walk over to the Prayer Garden where they listened to some prayers and prayed. Bishop Marcus then blessed the Garden and spoke to Mr McGann about how he had built it.

This three year journey was completed by Bishop Marcus but it will not end. The Prayer Garden at Holy Family will serve the school, parishioners and local community for many years to come. Holy Family feel very privileged to have had the opportunity to listen to and share their special place with Bishop Marcus.

#### Raising money for CAFOD

On 20th October we all brought in some brightly colour buns and cakes as part of CAFOD's 'brighten up Harvest week'. We had so many lovely buns! Thank you for everyone who brought in buns and cakes for us to sell and help raise money.

#### Minnie Vinnies Pilgrimage

October 18th The Minnie Vinnies went to Ripon Cathedral to take part in the Bishop's Pilgrimage along with many other schools in our Leeds area.

The children processed around the Cathedral with the Holy Family Banner before Mass began. After Mass the children carried on their journey to Fountains Abbey before heading back to school.

MacMillan Coffee Morning

If anyone would like to fill in a remembrance slip and hand it in to the Office it will be added into our Remembrance book.

Please cut out the slip and hand it in to the office

#### **Building Work:**

Some of you may have noticed that we are currently having building work done. We have had the Hall rewired, decorated and a new ceiling installed. The foundation corridor has also been rewired, decorated and had a new floor laid.

The Key Stage 2 Corridor still has work on going. This has undertaken rewiring, New heating, decoration, new doors and flooring.

The cost of the work undertaken will be £78,000. School will have to fund 10% of this (£7,800) from the school budget. We are having to spend a further £4,000 to replace the Hall curtains. Half of this money will be taken from the voluntary contributions you make as parents.

We thank you for your patience and contributions via the voluntary building fund.

Parents Evening:

#### Parent Governor:

Thank you to all the parents who attended our Parents evening before the half term. We hope that you found these useful and informative.

We are determined to meet with every child's parents as we feel working together is so important. We still have a vacancy for a Parent Governor for our school. If you would like to consider undertaking this role please feel free to chat to one of our current Governors or see myself one morning or after school. It is very important to have Parents as Governors to lead our school and ensure the children are getting the very best education possible. I am told that some employers allow staff to undertake Governors roles as part of their current work.
